

Join us in creating a better Hawai'i

At Hawai'i Community Foundation, our mission is to inspire philanthropy that will benefit the people and community of Hawai'i, while also moving the needle on systemic change.

Who We Are

Hawai'i Community Foundation is the state's leading philanthropic organization. With our 105-year history in the community, trusted expertise, and generous support of donors, we are working to solve our state's most difficult challenges—from affordable housing to fresh water—with the vision of creating a better Hawai'i. HCF is a statewide organization, with offices on O'ahu, Kaua'i, Maui, and Hawai'i Island.

What We Do

Impactful philanthropy leverages collective resources to effect real change. That's why HCF approaches philanthropy from many angles.

- » **Grantmaking:** We are the largest grant maker in the state, awarding \$59 million in grants and contracts annually.
- » **Administration for Charitable Giving:** We provide cost-effective services and administration for charitable giving, handling the details and compliance requirements to ease the burden on donors and maximize the impact of their gifts.
- » **Research and Development:** We track trends and commission studies to identify critical needs and opportunities in our state, making us the go-to experts on charitable giving and community issues in Hawai'i.
- » **Education:** We organize conferences and workshops, publish reports, and host gatherings to share information about philanthropy and community needs with nonprofits, government agencies, and the public.
- » **Connection-Building:** We help form collaborations and partnerships among public, private, and nonprofit entities, breaking down silos to work together on Hawai'i's most complex issues.
- » **Support:** We serve as a resource for professional advisors including attorneys, accountants, and financial planners seeking charitable and estate-planning solutions for their clients.
- » **Advocacy:** We advocate for systemic change to address the root of our community's issues and create a better, more equitable Hawai'i.

Leadership

Our Board of Governors is made up of respected community leaders who represent the rich diversity and broad interests of Hawai'i. Their knowledge of and sensitivity to Hawai'i's issues and needs provide invaluable leadership to HCF.

Guiding Principles

At HCF, we believe in working toward a more equitable future for Hawai'i, and that philanthropy should support access and opportunity for those in greatest need.

We developed the **CHANGE** Framework as a roadmap toward this goal.

The Framework identifies six sectors, with data indicators, that are critical to the overall well-being of Hawai'i's people and places.

Mahalo

We can't do this important work without you. Everything we have achieved starts with the generous individuals, businesses, and organizations who have shared resources with HCF to help others. Thank you.
